Application for Inclusion in Online CPBS Stallion Directory

The Connemara Pony Breeders' Society are updating our Approved Stallion Directory which is available for general access online at www.cpbs.ie under "Pony Search". If you would like your stallion to be included, free of charge, in the Directory please complete and return the attached form. For your stallion to be included please ensure that you complete each section and sign and date the GDPR consent form.

Photograph: The photos taken by the CPBS photographer on the day of inspection are available in the office and may be selected for use – please indicate if you would prefer this option. If you are providing a new photograph the application must be accompanied by one captioned, high quality, side view photo of the pony. The caption must be the registered name of the stallion. Please email photos to aine@cpbs.ie.

Phone screen shots, screen-grabs, poor quality photos (ie. not side view, blurred, not sole subject, etc) or incorrectly labelled photos will not be accepted.

Return completed application by email to aine@cpbs.ie or post to:

Owners and keepers whose stallions have been imported and registered in a CPBS daughter studbook must have completed the CPBS importation procedure https://cpbs.ie/pony-importation-service/ if they wish their stallion to be included.
3. The applicant **must** be the registered owner of the stallion as recorded with the CPBS.
